**ASTER** (Mixed Varieties)—Prepaid: 50, 65c; 100, \$1.10; 200, \$1.75.

*Please take notice.* The following are dates when plants will be ready to ship: Cabbage and Cauliflower June 1st through July. Sweet Potato May 10th through June and July. Celery and Aster June 15th and on.

To grow my plants I use only the best seed obtainable. The seed is sown in 10 inch rows and the plants are cultivated a number of times which insures a good root system. They are critically assorted, and not field run, which makes a much better grade of plants. All are packed in moss and guaranteed as to quality and safe arrival in good condition. Packed in that way they can be safely shipped from Maine to the Rockies.

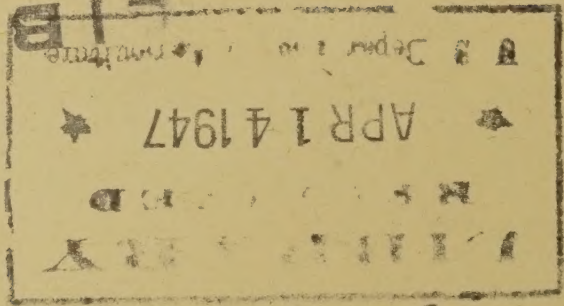

Send remittance by money order, cash or check. Avoid asking for C.O.D. shipments. For rush orders wire Western Union or Long Distance Phone 9427, Massillon.

W. J. MYERS, Route 2, Massillon, Ohio
